The Secretary to the Govt of Mysore
General & Revenue Departments

Sir,

In submitting herewith letter No. 467 Gen. 4 dated 14th instant, from the Inspector of Agricultural Banks in Mysore, I have the honor to state that I personally inspected one and all the estates in Febru-ary last and found them in good con-dition. The crop last year was very short and the total realizations have been paid into the Bank. The extension of time applied for is unavoidable, and it is also necessary that the members should be permitted to draw upon the Bank for current expen-ses.

2. Seasonable rains having fallen this year, fair crops are expected in the several estates
